## Happy New Year!

---

Major League Soccer returns to the Magic City!

On January 27th, Legion FC is hosting a preseason friendly against Atlanta United at 2PM at Protective Stadium! Season ticket holders who have purchased their 2024 seats will receive tickets as part of their membership benefits. Single tickets are available for purchase. This match against MLS club Atlanta United will be the only opportunity for fans to see the squad before the regular season home opener on April 7, so get your tickets today!

Expect to see some brand new FC news, new player signings, as well as some league updates this month and in the near future.

## Year 6 Begins!

Before we officially turn the page to 2024, I'd like to say I'm incredibly proud of the front office and the marketing team this past season. From playing in the Open Cup against MLS teams with record-breaking crowds to having the inaugural season of the Legion WFC and reaching the semi-finals of the USL Championship. We were able to overcome adversity and reach new heights like never before.

I've been privileged to start my career in social media with Birmingham Legion FC in July of the 2022 season as the digital media coordinator. This upcoming season will be my third season with the Legion and I'm so excited to show everyone what we've been working on during this offseason.

During my time here I've dabbled in different forms of content creation and I can't wait to learn and create more content this season. Here are some content pieces I'm proud of:

**Kenia**

Digital Media Coordinator
