

Greetings Fort Wayne FC fans,

We're excited you can join us for another season of exciting soccer here at Bishop D'Arcy Stadium.

While we've been a successful club on the pitch – winning the Valley Division in 2023 and 2024 – we don't just measure our successes by wins and losses. We aim to grow the game of soccer in Northeast Indiana, be positive role models and be a club of which you all can be proud.

Our Director of Football Operations, DaMarcus Beasley, and Head Coach, Mike Avery, have once again put together a roster that will play exciting soccer at the USL League Two level. We have players who honed their skills locally, but we also have players from across the globe. Each of them was chosen for their skill on the pitch and for the way they fit into the Fort Wayne FC culture.

It was an exciting offseason for our club, as we hired several new staff members - led by our new Chief Operations Officer, Scott Sproat – and they have a bevy of experience working in the local sports industry in various capacities. They were charged with making this season a great success and also to position us for triumphs in the future.

Construction is underway on our new state-of-the-art, world-class, soccer-specific stadium at Bass Road and I-69 that will open in 2026 when we move to the professional ranks of USL League One. It has long been Fort Wayne FC's desire to move to the professional level and our privately funded stadium, which will be the largest outdoor stadium in Northeast Indiana, will be a centerpiece of that move.

But first, we want to make sure you, the fans, have a memorable and fulfilling experience enjoying the 2025 season at Bishop D'Arcy Stadium. And we are indebted to the support you've given us through the years and know you will continue to give this season and in the seasons to come. We want to finish our tenure in USL League Two on a high note and having the loud, rabid support of the Fort Wayne FC faithful is a key part of that.

Forbes rankings are developed by SHOOK Research and are created using an algorithm that includes both qualitative (in-person, virtual and telephone due diligence meetings; client impact; industry experience; review of best practices and compliance records; and firm nominations) and quantitative (assets under management and revenue generated for their firms) data. Certain awards include a demographic component to qualify. Investment performance is not a criterion because client objectives and risk tolerances vary, and advisors rarely have audited performance reports. These rankings are based on the opinions of SHOOK Research, LLC, are not indicative of future performance or representative of any one client's experience and are based on data from the previous two calendar years. Welcome back, Fort Wayne FC fans!

As we enter our fifth and final season in USL League Two, we are extremely excited to see all our fans back at Bishop D'Arcy Stadium to enjoy another great summer with Fort Wayne FC.

We have exciting new players mixed with faces who should be familiar to you from past seasons. Our captain, center back Tiago Dias, will once again lead our team on and off the pitch. Local players Namik Mehic and Reid Sproat have also returned.

A new face I think you will really enjoy watching is striker Mamadou Diarra, who hails from Bamako, Mali. He is coming off a great season for Florida Atlantic University, in which he scored eight goals, including three game-winners, with eight assists in 16 matches. He will fit in very nicely with our culture.

Our coach, Mike Avery, who has led us to back-to-back playoff appearances, has put together another very competitive squad that not only will work hard on the pitch, but also be committed to engaging with our community off the pitch.

The club is in an exciting period as we prepare to become a professional club in 2026 in USL League One. Moving to professional soccer has always been one of our goals.

Construction has begun on our new stadium, which will open in 2026 on Bass Road, and the work that our majority owner, Mark Music, has done behind the scenes to get that over the line has been truly remarkable.

We have a lot of good momentum heading toward 2026, but believe me when I say our focus remains on this season. We want to finish the year in the best way possible. With your support from the stands, we will be able to achieve that, TOGETHER!

I look forward to seeing you all soon!

#7 DaMarus Beasley
